Allowable Subject Matter

1. Claims 1-5, 7-15, and 17-33 are allowed.
2. The following is an examiner's statement of reasons for allowance:

The Examiner has carefully considered the independent claims 1, 11, 21, 25, and 28 and the Applicant's arguments filed 05/09/06. The technique for "rendering a metaphoric desktop" and "morphing" faces of the metaphoric desktop as claimed was not taught or suggested by the prior art. Specifically, the prior art does not teach "rendering a metaphoric desktop having a front surface and a back surface" which are "opposite" "surfaces of the same plane" wherein "the front surface being visible" while "the back surface being invisible" and "morphing the back surface to replace the front surface" to make "the back surface" become "visible", in specific combination as recited in the independent claims 1, 11, 21, 25, and 28.

3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
